

# PRE-EXAM LINKS

Date of CEED exam for the candidates already registered in Chennai Centres:  
**14th February 2016, 10:00 to 13:00 hrs.**

## Evaluation criteria for CEED 2016:

**For Part A:** The marks of the candidates of the Chennai Centres who are taking the exam on 14<sup>th</sup> February 2016 will be normalized using the following formula:

$$\text{Normalized marks (for the candidates taking exam in Chennai Centres)} = \frac{(m - a)S}{s} + A$$

where

$m$  is the marks obtained by a candidate of the Chennai Centres in the exam to be held on 14<sup>th</sup> February 2016.

$a$  is the average marks of the candidates of the Chennai Centres in the exam to be held on 14<sup>th</sup> February 2016

$s$  is the standard deviation of the marks of the candidates of the Chennai Centres in the exam to be held on 14<sup>th</sup> February 2016

$A$  is the average marks of the candidates in the exam held on 6<sup>th</sup> December 2015

$S$  is the standard deviation of the marks of the candidates in the exam held on 6<sup>th</sup> December 2015

It may be noted that the marks of the candidates of the Chennai Centres will be normalized with respect to the marks of the candidates of the CEED exam held on 6<sup>th</sup> December 2015. As a result of this the original marks (in Part A) of the candidates of the CEED exam on 6<sup>th</sup> December 2015 will remain unchanged.

**For Part B:** This is a subjective type of exam involving drawing, etc., Therefore, the actual marks obtained by each individual candidate will be considered, irrespective of whether the candidate has taken CEED exam on 6<sup>th</sup> December 2015 or 14<sup>th</sup> February 2016.
