GEEE 2016

ENTRANCE PROCESS

ELIGIBILITY CRITERIA

Successful completion of 10+2 examination with Chemistry, Mathematics and Physics as compulsory subjects. Those appearing for their final Class XII examinations in March 2016 and expecting to secure the qualifying marks can also apply.

APPLICATION

- The comprehensive cost of application is Rs. 800, which includes the costs of the application form, examination fee and the information booklet cum university brochure.
- All applications must be made online through www.geee.in.
- Payments for the application process must be made online only via Credit and Debit cards.
- The application fee is non-refundable.
- Candidates must have active personal email ids as all information regarding the entire admission process will be communicated through emails. The university can also send call letters for written tests or carry out document verification process through emails. Under no circumstances, shall the candidate give e-mail ID of another person. In case any applicant does not have an email ID, he/she needs to create it prior to applying online.
- It is the responsibility of the candidate to determine his/her eligibility for appearing in the exam. However, even after application, it is at the management's discretion to take the final call on the eligibility and selection of a candidate.

PAYMENT & REGISTRATION

- Payment must be made online, using Debit and Credit cards only.
- After the successful completion of the payment procedure, candidates will have to take a print-out of the registration slip generated by the system. The registration slip must be preserved for future.
- Applicants can download the call letter directly from the university's official website by filling in their DOB and application number sent through SMS/email. Call letters would not be issued through post.
