K L University

TIME TABLE

Timings: 1.30 PM to 4.30 PM

M.Tech	17.1.2015	19.1.2015	20.1.2015
Biotechnology	Down Stream Processing BT C610	Advanced Bioinformatics BT C611	Research Methodology BT C612
Structural Engineering	Advanced Design of Structure CEC 601	Bridge Engineering CEC 602	Research Methodology CEC603
Computer Science & Engineering	Network Programming CS C711	Software Project Management CSC712	Research Methodology CSC727
Computer Networks	Network Routing CSC725	Network Management CSC726	Research Methodology CSC727
Communication & Radar Systems	Wireless Cellular Communication EC C627	Design of Radar Systems and Signals EC C628	Research Methodology EC C640
VLSI	VLSI System Design EC C607	VLSI Technology EC C608	Research Methodology EC C650
Power Systems	Power Systems Protection EE C721	Power Quality EE C722	Research Methodology KLUC504
Power Electronics & Drives	Intelligent Control of Electric Drives EE C702	Power Electronics Control of Drives EE C701	Research Methodology KLUC504
Embedded Systems	Hardware Software Design EMC711	Systems on Chip Architecture EMC712	Research Methodology EMC713
Thermal Engineering	Design of Thermal Systems MEC727	Energy Conversation & Management MEC728	Research Methodology MEC729

Note: Practical Examinations for Supplementary candidates will commence from 21st and 22nd January 2015. Detailed Time Table will be given by the Departments.

Controller of Examinations
