INTERNSHIP PROGRAM RULES AND REGULATIONS

Interns are required to work in their respective departments on all the working days from 09.00 am to 2.30 p.m. A break of about 30 minutes is permitted. Interns should not leave the department without permission from Head / Senior staff of the department.

The total leave that can be availed by an Intern during the entire period of internship of one year will not exceed 20 days. They are allowed to avail a maximum of 2 days of leave in any department. They should apply for leave before availing it.

If for any reason they are compelled to take leave for more than 2 days in any department, they should put in extra attendance for the (excess) leave taken after finishing all the scheduled posting.

If Interns are absent without permission, they have to do additional posting for double the number of days they were absent.

Moreover, even if they have not availed leave in any of the departments, they are not allowed to complete their internship 20 days earlier than 12 months.

After completion of posting in each department, the respective Heads of department will submit report about each Intern to the Principal and on the basis of all the reports Principal will issue a "Satisfactory Completion Certificate".
