

B.Tech. Admission 2017

25th July 2017

Dear Candidates,

We congratulate you on being selected in the 2nd merit list. The list contains candidates from 1st merit list whose branch has been changed to their 1st choice. [Some of the candidates did not submit remaining fee which resulted in vacancy. Vacant seats were filled with those candidates in each category, who did not get their 1st choice due to their lower rank.] These candidates are not required to pay anything.

All newly selected candidates in 2nd merit list are required to pay remaining Admission Fee (**Rs. 1,00,000 for GEN/OBC and Rs. 25,000 for SC/ST/PH**) online by **28th July 2017 (4:00 PM)** to lock their seat. Failing will result in auto-withdrawal from the admission process.

The B.Tech. branch in the list has been allotted based on a candidate's IIT-JEE Advanced rank and his/her preferences of branch. If the 1st choice is not available at the rank of a candidate, then his/her second choice has been allotted only if a second choice was given.

Cutoff ranks in the merit list are:
